Rohit Jain is a Senior Partner at ELP and co-heads the Tax practice of the firm focusing on direct taxes, transfer pricing, indirect taxes and customs laws.

Rohit has been with ELP since its inception and has over two decades of experience in handling matters related to tax, in both advisory and litigation matters. Rohit has deep experience in advising clients on a variety of direct tax projects involving structuring of inbound and outbound investment from a tax and exchange control regulatory perspective, deal structuring, internal restructuring, advising multinational entities on tax efficient profit repatriation, structuring cross border transactions, transfer pricing reviews, tax due diligence and transaction support. Rohit has also been involved in assisting clients in direct tax litigation at various forums.

Additionally, Rohit has deep experience across the entire spectrum of indirect taxes and customs laws.

Rohit has served several Fortune 500 Companies and prominent Indian conglomerates, covering diverse sectors such as financial services, manufacturing, telecommunications, oil and gas, petroleum, and infrastructure projects. Notably, Rohit has been actively engaged in advocating for industry associations by liaising with the Ministry of Finance and the Ministry of Commerce on matters related to tax policies.

Rohit is a member of the TAXAND network (the largest international network of taxation firms across the world) and is regularly invited to speak on various tax and foreign trade policy issues at various international conferences. Rohit has been recognized by several publications. Most recently he has been ranked as:

- **Elite Practitioner for Tax in *Asialaw Leading Lawyers Guide***
